

Why hire a speech-language pathologist who is a Board Certified Specialist in Child Language (BCS-CL)?

★
They have demonstrated dedication to their profession

★
They promote quality care

★
Their knowledge & expertise has been validated

The American Board of Child Language and Language Disorders (ABCLLD) awards board certification to SLPs who have advanced knowledge, skills, leadership, and experience in working with children with language and literacy needs.

In short... You are getting the best of the best when you hire a speech-language pathologist with their BCS-CL!
