

# ARE YOU CONCERNED ABOUT YOUR CHILD'S COMMUNICATION SKILLS?

## Did you know?

Board Certified Specialists in Child Language (BCS-CL) are available for questions, guidance, and referrals.

## What is a BCS-CL?

A BCS-CL is a highly qualified speech-language pathologist who is an expert in child language.

## What do they do?

They keep informed of the latest research so they can provide assessment and treatment based on current best practices.

## How can they help?

They assist in integrating collaborative services for children and their families so that every child can reach their full communication potential.
